

# JOIN OUR TEAM

## SOURCING INTERN

Calgary or Montreal

Full-Time

## ABOUT ETCH

ETCH Sourcing is a fast-growing, Canadian based managed services provider that specializes in Strategic Sourcing, Category Management, Procurement Processes and Tools. We work alongside our clients to identify opportunities for improvement and create a transformation that meets and exceeds our clients' needs. At ETCH, we believe in creating an innovative and inclusive work environment that focuses on people, passion, and performance, which drives the way we work alongside our clients and train the next generation of sourcing talent. Our vision is to drive change and growth throughout the industry and to create lasting value.

## OVERVIEW

We are looking for a Sourcing Intern to join our team in Calgary and Montreal! As a Sourcing Intern, you will work closely with the ETCH team and drive value for our internal operations. We embody our values of people, passion, and performance in every interaction, exceeding our clients' expectations. In this role, you will work with our various streams to better understand and support ETCH's activities.

## RESPONSIBILITIES

### **Deliver on day-to-day activities, which includes but is not limited to:**

- Conduct market research and analysis in support of operations
- Perform analysis of marketing and sales key findings
- Support sourcing and category strategies
- Help launch new initiatives
- May perform additional projects upon request

### **Be a part of the ETCH family :**

- Partake in training sessions and share your expertise
- Be involved in team events and socials
- Represent ETCH through our values of people, passion, and performance

**Thrive in a fast-paced environment**, being a part of both the ETCH team and embed in clients' teams

## QUALIFICATIONS

- Bachelor's degree (preference for Business)
- 1+ year of Business or Sales experience (Supply Chain is an asset)
- Creative problem solver
- Ability to navigate through uncertainty
- Excellent written and oral communication skills
- Strong interpersonal skills
- Strong desire to learn, create value and have fun!
